

One number, **one invoice.**

€1,500

A YEAR · PREPAID · EVERYTHING INCLUDED

- Every couple gets a planning workspace carrying your venue's name
- No per-seat maths — unlimited coordinators, unlimited couples
- Your team operates nothing: no setup, no software to run, no training day
- Direct line to the founder, same-day reply

In your terms: a venue carrying a full wedding season spreads one invoice across every wedding it hosts — a few euro per wedding, for a couple-facing experience that carries your name all year.

No tiers, no launch offer, no discount theatre. Founding venues lock this €1,500 price for as long as they stay — a guarantee, not a markdown.
