

Run every wedding without the status meeting.

Four calm views — capture, run-sheet, shared timeline, and the one thing due today — so nothing falls through and the couple sees a venue that has it handled.

THE SYSTEM

01	notes.	Capture
02	tasks'	Run-sheet
03	timeline'	Shared timeline
04	signal'	The one thing due today

IN PRACTICE

Capture an enquiry in three seconds. It becomes the run-sheet itself.

Share a timeline the couple can actually see. You look organised because you are.

Open it in the morning and see the one thing that needs you today.

THE ASK

A short demo, on your desk, at your pace. No setup, no jargon, no contract to read.

signal studio.
