Send the remaining available access

Four codes remain available. Behavioural reporting begins once enough sponsored workspaces are active.

Reporting coverage and privacy

Small-group privacy protection

Two eligible sponsored workspaces. Behavioural values are withheld.

Data through 2026-07-24	Definition version account-metrics.v2
Days with sponsored use Withheld	Privacy posture Aggregate sponsored use

Access totals remain visible. Behavioural use is withheld while the eligible group is too small to describe.

Behavioural values are withheld when the group is too small to describe, and when a value would leave too few workspaces undescribed.

- names or emails of recipients
- notes, task text, or comments
- Timeline content or attachments
- private membership lists
- raw identifiers

Aggregate use only. Private work is never included.
