

The AGM Handover.

So next year's committee doesn't start from zero.

BEFORE THE AGM

- ☐ Get the accounts straight: opening balance, in, out, closing balance
- ☐ Write the year in one page: what ran, what worked, what didn't
- ☐ List every login, key, contact and where each lives

AT THE AGM

- ☐ Present the one-page year and the simple numbers
- ☐ Run the election cleanly — count in front of people
- ☐ Get the new committee's names and contacts on the spot

THE HANDOVER

- ☐ Sit down with your successor for one hour — the plan open between you
- ☐ Hand over logins, keys, the contact list and the accounts
- ☐ Leave the workspace tidy: this year archived, next year's first event started

THE TEST

- ☐ If you disappeared tomorrow, could the new committee run the first event of the year from what you left? If not, it's not handed over yet.
