

The Trip.

Start eight weeks out. Money first, everything else after.

EIGHT WEEKS OUT

- ☐ Pick the destination and dates — one poll, then decide
- ☐ Get real quotes: transport, beds, activities
- ☐ Set the price with a small buffer and open a deposit list

FIVE WEEKS OUT

- ☐ Close the deposit list — a deposit is a yes, everything else is a maybe
- ☐ Book transport and accommodation with the confirmed headcount
- ☐ Collect the balance before you book anything non-refundable

THE WEEK BEFORE

- ☐ Send one message: times, addresses, what to bring, who to call
- ☐ Print the roster — names, phone numbers, room assignments
- ☐ Assign one committee contact per bus or group

THE WEEKEND

- ☐ Count heads at every departure. Every one.
- ☐ Keep receipts for every group expense
- ☐ Problems go to the committee contact, not the group chat

AFTER

- ☐ Settle up and publish the simple numbers: collected, spent, remaining
- ☐ Note what you'd change while it's fresh
