LIMERICK

THE PROBLEM

19,898

weddings in Ireland last year. Most were planned in a group chat — and your coordination team lives inside every one of them.

WHAT IT IS

Four calm views. **One system.**

CAPTURE	notes.	The enquiry goes in once, in three seconds.
RUN-SHEET	tasks'	It becomes the run-sheet itself.
TIMELINE	timeline'	One plan the couple can actually see.
TODAY	signal'	The one thing that needs you this morning.

A workspace with **your venue's name on it.**

Every couple plans in a calm space your venue gave them — seen by suppliers, families, and wedding parties for a year. You look organised because you are.

- Share a timeline the couple can actually see
-
- Capture an enquiry in three seconds — it becomes the run-sheet itself

Your team operates nothing and answers fewer calls.

- No setup, no software to run, no training day
- "When's the venue booked for?" becomes a link, not a phone call
- Open it in the morning and see the one thing that needs you today

THE DEMO

Seven minutes, **real screens.**

One wedding runs through all four views — capture, run-sheet, shared timeline, and the day's one priority. Nothing staged; the screens in the demo are the product your couples would use.

LIVE DEMO · NO SLIDES FOR THIS PART

THE PRICE

€2,500

a year, prepaid. One invoice. Couples' workspaces carried by the venue — no per-seat maths, no operational overhead. Across a wedding season, that is a few euro per wedding.

THE INVITATION

Founding Limerick Partner.

The first twenty-five businesses join at founding pricing — a price lock, not a discount. Numbered, never reprinted. A position, not a purchase.

Calm coordination, **built in Limerick.**

Built and headquartered in the launch city. Direct line to the founder, same-day reply. If it ever stops earning its place on your front desk, say so — every feature must earn its place is one of our nine beliefs.

THE ASK

A pilot, on your desk, **at your pace.**

No setup, no jargon, no contract to read. One wedding, one coordinator, two weeks — then you decide.
